SERVANTHOOD IS THE BEGINNING AND END OF CHRISTIAN LEADERSHIP

.....

The purpose of the Northwest Conference Adventures in Leadership camp is to equip each person with a Biblical and leadership framework to assist them with discovering and further developing their own leadership style consistent with their abilities and giftedness.

Each participant will ...

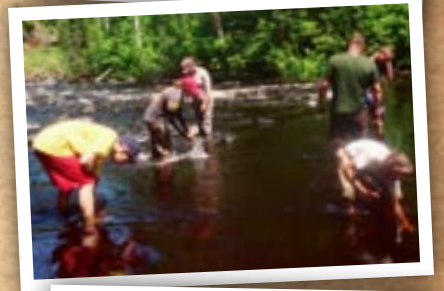

- Be introduced to various leadership styles, functions and skills.
- Become aware of personal capabilities (spiritual and natural).
- Examine characteristics needed for Christian leadership.
- Learn that servanthood is the beginning and end of Christian leadership.
- Create a vision of who they can become as a leader.

.....

Are you ready to embark upon a Leadership Adventure?

As with any adventure, risks and challenges exist along with excitement and rewards. Come ready to learn about your personality, gifts, abilities and temperament and how they shape you as a leader and to further develop your leadership skills with your peers.

The greatest adventure in life is the discovery of your place in Christ's body as you grow in His likeness and character, as you identify your God given gifts and abilities and as God grants you clarity on your purpose and mission for your future.
